THE SAGA CONTINUES...

What school year is complete without a Homecoming bonfire?.. Unfortunately, the appearance of the Mad Flunker is imminent as he would not miss such an opportunity to inflict his treachery.
This ought to "dampen" spirits and end this evenings festivities in a hurry.
What a major hose!
Captain Viking!!
It would seem your plans have sprung a leak!
Curses!!
In the name of school spirit, I hereby banish you from all school functions, thus ending the detrimental effects of your evil influence!

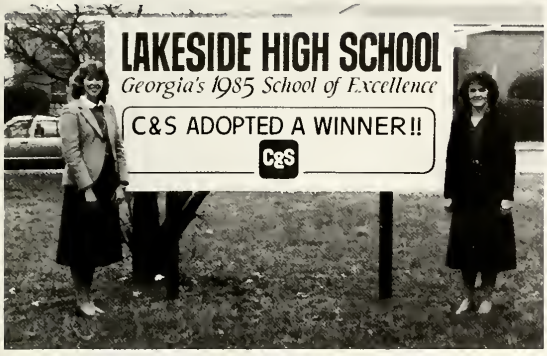
STAR STUDENT AND STAR TEACHER

ADOPT A SCHOOL OF EXCELLENCE



Beginning this year, Governor Harris will cite an Elementary, Junior High and High School, from each of Georgia's ten congressional districts, as being Georgia Public Schools of Excellence. In the fourth district, our very own Lakeside was selected, being one of the first schools recognized. Lakeside's tradition of constantly excelling in both academics and sports, placed us on the Governor's Honor Roll quickly. Shortly after this honor was bestowed upon Lakeside, the ceremonies were held for the C & S "adoption" of Lakeside. The Adopt-a-School Program, new to Georgia, has been successful in many other states, and we are looking forward to sharing their success.

With the combined efforts of Dottie Schaefer, Joy Cooley, and Jane Dunbar, this spectacular production was an overwhelming success. The courts and senior contestants entertained an appreciative audience with their spirited dances and the senior couples concluded the pageant with the "liveliest" Senior Waltz ever. When the votes were tallied Patricia Belcher was crowned Miss Lakeside and continued the past traditions of beauty, poise, achievement, and talent. STUDENT LIFE

What's that special quality that all Lakeside students possess? We call it PIZZAZZ, and it shows in everything we do — the way we work, and, of course, the way we play! Lakeside students add special style to everything they do!

Tricia,

Hey cutie! What's up? I can't believe the year is almost over. Just think, next year we're sophmores. We're going to have an unreal time at six flags. We better get some classes together next year. O.K? ——— Well, fine, be that way. I bet you and David will have fun over the summer. (But don't have too much of a certain fun.) Have an unreal summer! I'll see you next year! (As sophmores) watch out Lakeside, here we come!

Love yo

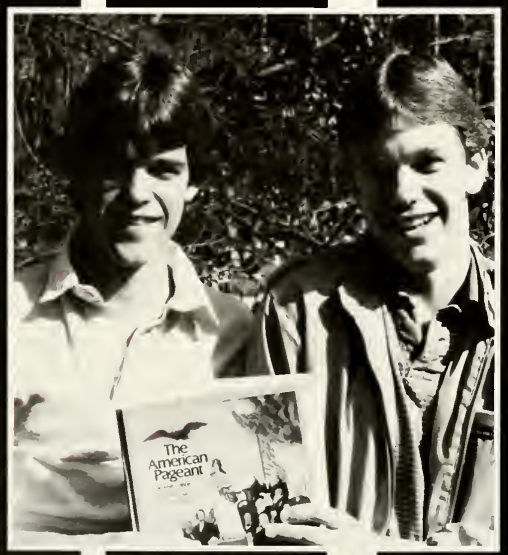
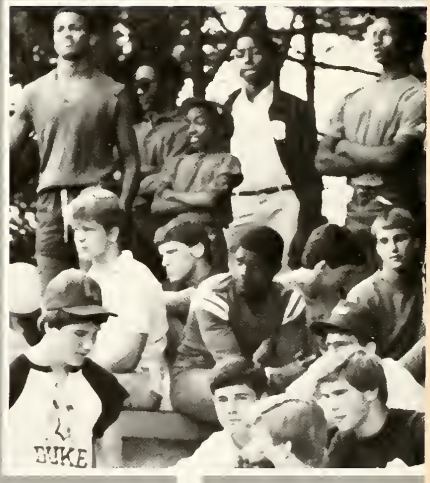
Now!



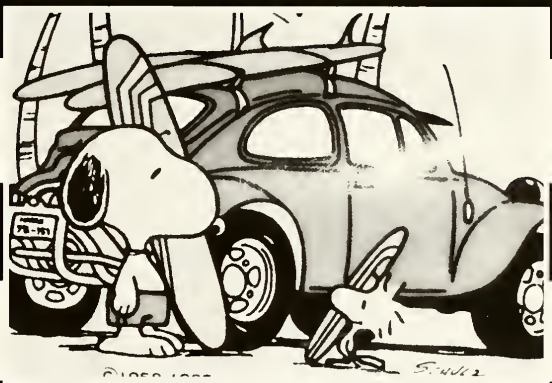
The
American
Pageant

Lakeside students are more than just classmates; they are friends. Students here show true concern and support for one another. Not only is LHS a place to learn, but a place to share and to belong. Staying together both in school and out, they share adventures unknown to other, lesser mortals.



DUKE

STUDENT LIFE



When all has been said and done, it cannot be denied that we at Lakeside know how to have BIG FUN . . . From forming a new cheering squad for a powderpuff football game to hitting the beach on Spring Break to just taking it easy, Lakeside students persist in their never-ending quest for a good time.

The one part of Lakeside that sets it apart from other schools is our indomitable Viking Spirit! This past year was one which called on students to really get behind their school. As usual, LHS students displayed the true spirit and pride that has long made LHS a cut above the rest!

This year the Varsity Vikes started slowly, gaining momentum as the year continued. Then, as a result of the team's hard work, they rallied at the end for an overall 5-5 record. Included in the wins were the big Homecoming triumph as well as a stunning victory in the final game, when the Vikings trounced Tucker. Thus, Lakeside continued our tradition by remaining the only team in the county that has never had a losing season.

The B-team Vikings gained valuable experience and struggled for a hard-fought season. The highlight of the year was the outstanding victory over Dunwoody, which established the B-teamers as a squad to be reckoned with. Finishing out the season at 3-4, the B-team Vikes' hard work and dedication will make them a true asset to the Varsity next year.

This year, the 8th grade Vikings were an excellent team. With forty-eight players, they managed to compile a devastating 4-1-1 record. With the expertise of Coach Landis, this team was really fantastic. We look forward to seeing these players on our winning B-Team next year.

This year's Cross Country team achieved an awesome overall record of 28-4, as many goals were reached and a winning Lakeside tradition was preserved. Through all the pain, sweat, and suffering, our Vikings displayed their fortitude and dedication to this sport and were rewarded. For the first time in LHSCC history, the 8th grade had an undefeated season, finishing at 7-0 and placing 4th in county. The Junior Varsity Boys ran to a 6-3 season and a 3rd place finish at County. Despite the loss of many valuable runners to graduation last year, both Varsity teams maintained winning seasons with the girls going undefeated for the second consecutive year at 8-0 and the boys posting a 7-1 record. With their determination and pride in Lakeside, our runners are truly a remarkable part of a continuing tradition.

BASKETBALL

The mighty basketball Vikings worked long and hard this year and their efforts paid off during the season. The Varsity boys had 14 boys take the court to fight for LHS. After some initial setbacks, including a heartbreaking loss to Mays in the last seconds of the game, the team bounced back to end with a strong overall record. Like the boys, the 12 girls on the Varsity had a very respectable season as a result of their endeavors. Following the lead set by the Varsity, B-team players spent much time and energy preparing for the season. When the season arrived, the 13 boys and 13 girls were ready and gave Lakeside more reason to brag with their impressive records. Similarly, the eighth grade teams also showed promise for the future. Overall, LHS has every right to be proud of our basketball team's performances this year.

LAKESIDE SWIMMING & DIVING

Starting off in a big splash this year, the swimming Vikes were a very tough and talented team. Under the coaching of Ava Spinks, both the Boys and the Girls Varsity teams swam well, both starting off with undefeated records. Excellent performances were turned in by Nancy Ewell, who broke the school record in the breaststroke, and Owen Kenworthy. Other promising swimmers and divers included Chris Amerson, Heather Canfield, and Ellen Diamond. In the years to come, there is no doubt that Lakeside swimming and diving will continue its winning tradition with the team's aspiring members and excellent coaching.

SOCCER

The Lakeside soccer program this year had the ingredients of success: plenty of talent combined with valuable experience. The varsity boys had several returning starters from last year's team which had gone to the championships as well as some exciting new players. Likewise, the girls varsity also had both seasoned veterans from last year's county champions and fresh talent. From the lower grades, both the boys' and girls' b-teams showed great potential in their respective seasons. Overall, Lakeside continues to boast one of the finest soccer programs in the state.

TRACK

This year's Viking team, in a rebuilding season after the loss of many worthy tracksters to graduation last year, hoped to gain confidence, strength and speed as the season progressed. The coaching staff, spearheaded by Coach Roberts, consists of Coaches Franklin, Janoulis, and Reed, a new addition to this year's track team. Sweating out the endless workouts under the sweltering sun, our Vikes proved to be a doninant team with practice, courage and perseverance.

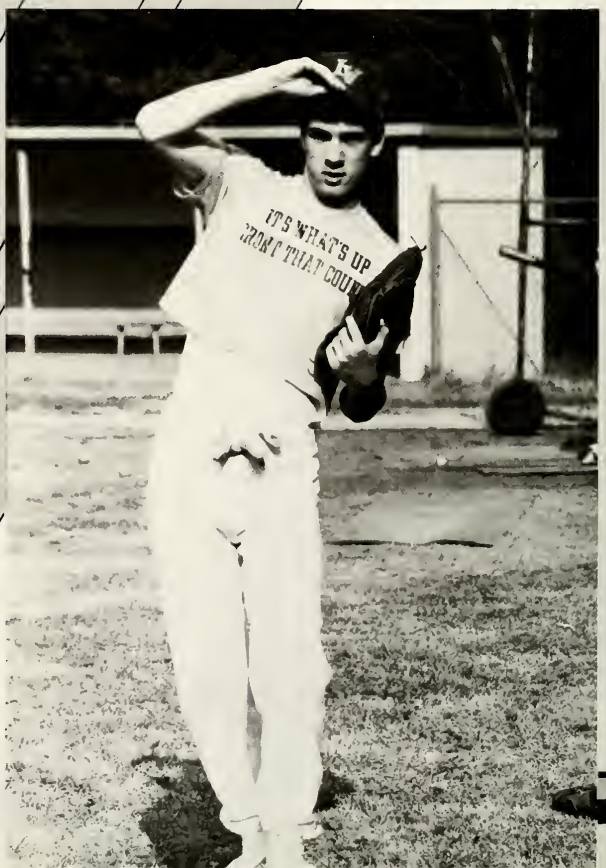
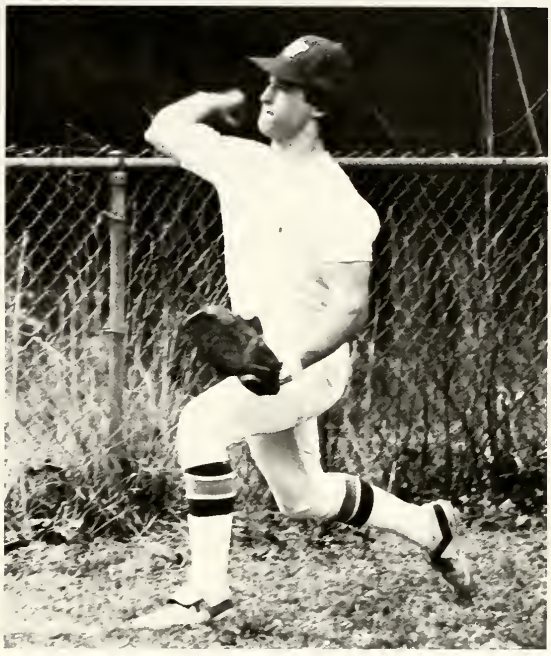
BASEBALL



forget about Allen and I mean that to I have Wayne Bates at my pool



With the crack of the bat, the Viking Baseball teams took to the diamond, prepared to play ball. The Varsity, consisting of 17 players under Coach Pruitt, had a great season. Many times the opposition was ready to limp away at the seventh inning stretch. Likewise, the B-team, led by Coach Link, had 24 players hit the field. Their record shows their merit as a team. As the final out was called this season, all the players had done well, and the team had a fine record.

to drool over Especially since he looks exactly like Allen isn't he cute!! well I'm glad that you and

David are still togethes and I hope you remain that way through the summer look at grey Saunders I think I like him but don't say anything please, well I gotta go!

Love,
Cami

GOLF

Members — **1st Row, L-R:** Shane O'Neal, Jeff Halfon. **2nd Row, L-R:** Eric McCurly, Ian Tarica, David Peterson, Ansley Seagraves.

Shooting for par, the Viking duffers earned a very respectable record. The younger players showed excellent potential for the future and will be a great asset to next year's team. Under Coach Beuglas, the Golf team is proud of its accomplishments and excited about its future.

POLO

Members — **1st Row, L-R:** Bitsy VanDrake, Matty Deedy (water polo), Prince Charles, Kitty Debo. **2nd Row, L-R:** Jenny Woman (Trainer), Susie Q., Skippy Harington IV (Captain), Sophia and Irene, Chippendale Oscar Mayer Meena. **Not Pictured:** the Brooklyn Bridge, Lake Lanier, Lakeside High School, Fred, Princess Diana, relief maps of Sicily, the Sistine ceiling, and the rest of the team (last seen headed for the Piedmont Driving Club).

Sponsored by Wally Cream Cheese, the LHS Polo team donned their Madras and mounted up to meet the challenge of their opponents and to defend the honor of Lakeside against the mindless peons. With Rodney as the head cheerleader, the team compiled an impressive season with 1 win, 67 losses, and only 4 arrests. The highlight of the year was the stunning defeat at the hands of Twiggs County when the entire team left the playing field for an impromptu champagne picnic. Gushed Susan Gardner Grant in summation of the season, "It was just to D-I-E — die!" Next year's team has a tough job filling (and cleaning) this year's shoes.

That dogooder Captain Viking has gotten in my way one time too many. This time, I'm really going to break down the school system starting by locking up Teach & having class my way.
You foul fiend! This heinous caper shall be your last at Lakeside! We will be rid of your presence once and for all!
Vocab test kids! Spell party, that's P-A-R-T-Y. Now spell... whoops! Better spell PARTY PooPER! Look whose here!
Madam, please return to aid these eager youngsters in their voracious pursuit of knowledge.
Oh me! Oh my!
I'm outta here!
Expose yourself to ART!
Nixon... now more than ever...
The Mad Flunker has once again eluded our hero, but fear not! Justice will prevail in the end.

These very important people are what you might call Captain Viking's co-workers. These Lakeside administrators have been carefully chosen by Captain Viking, as only he knows who will be best in working hand in hand with him in his battle against evil. While he is elsewhere making sure that the Mad Flunker is staying clear of Lakeside students, these four people oversee the staff and faculty to see that justice is done.

Even though Lakeside staff and faculty are on the team of justice, they have super-hero friends whom they admire for their integrity, power, and justice. Our teachers hope to one day be like the following . . . Spiderman . . . Garfield . . . Dick Tracy . . . Linus . . . Superman . . . Beaver Cleaver . . . Black Hawk . . . and Snoopy. If they keep up the good work, they won't have far to go!

Captain Viking and his co-workers possess a sixth sense. This is the ability to detect evil. Our teachers enjoy using this sixth sense for purposes other than in the fight for justice. Some teachers use it for . . . reading minds . . . seeing into the future . . . knowing the direction of the wind for spitting purposes . . . and to know which horse to bet on at the tracks. Our teachers seem to get a bit mischievous when using their powers, don't they?

As you probably know, Lakeside has more staff and faculty than have been shown here. The reason is that some of our teachers let us know that they would remain anonymous in their fight against the Mad Flunker. Most of them feel that they will be able to better see that justice is carried out at Lakeside by not revealing their identity.

As the day comes to an end at the homes of Captain Viking's co-workers, they relax after a long day of battle with the Mad Flunker by indulging in cartoon comics. A few of these are ... the Roadrunner ... Popeye ... Linus ... Donald Duck ... Opus ... George of the Jungle ... Hagar ... Bugs Bunny ... Smurfs ... Charlie Brown ... B.C. ... Mickey Mouse ... Fat Albert ... and the Wizard of Id. Mind you, teachers were reluctant to reveal this information because it might look like they were slacking off on their jobs as conquerers of evil. But we know better, don't we?

One of Captain Viking's many powers is that of being invisible. Of course his co-workers also have this power, which they use to battle the forces of evil. These teachers often use this power for other purposes, such as ... going naked in hot weather ... zapping kids who do not listen ... scouting all Peachtree and Redan practices ... spying on kids after the prom ... or sneaking into a hospital to watch an organ transplant.

When Lakeside teachers are called to duty by justice, they do not go by the names we know, but by an alias. These names have been revealed to us by Captain Viking, but he asks that we not reveal which alias belongs to which teacher, for the sake of personal identity. Some of our teachers' aliases in the flight against evil are ... Red Man ... Savior of Singers ... Captain Whimp ... The Missing Link ... Space Cadet ... The Great American Smurfberry ... Captain Confederate ... and the Midnight Skulker.

Hey Tricia - what's up? well This year has really flown away. It's hard to believe it's already the end of the year. I'm glad we finally had the chance to have a class together. I'm glad that we have been able to become friends after so many years of just being "softball" friends and hating "Scarlet O'Hara" or whatever her name is. (You know who I'm talking about) Stay in touch. Love - El

That dogooder Captain Viking has gotten in my way one too many times. I'll show him by destroying this entire school!
Villain! You have driven me to the end of my tolerance. Cease subjecting these people to your behavior!
Once and for all, I and Lakeside High School shall be rid of you!
TICK TICK
And so the power of evil is contained for yet another year and school pride and spirit prevail, as it will for years to come in the hearts of the students.
BAM

where's the beach?

Here no evil,
Speak no evil,
See no evil.

Tricia,

Hey! Well it's been a "kinda" short year taken everything thing into coincideration! But we've managed! Atleast we didn't have Mr. Wilson (let's remember his goofy ties & pants!! haha) We didn't have many classes together maybe next year! (Hopefully not Co. Key!!) I can't stand him. I think the last day of class I have in there with him I'll give him a picture of me & Robert because he always stares at us! Well you better COME see me this summer! I know you and David will see each other - hu-hu-hu Just kidding! (Cresit ~~[illegible]~~ you happy I didn't write a whole page of your favorite word! haha) Atleast this year Scott & Ben and everyone else didn't get a hold of a certain card! Well anyways have a Terrific summer! R.H.T.S.!! Call me over the summer. 934-7589

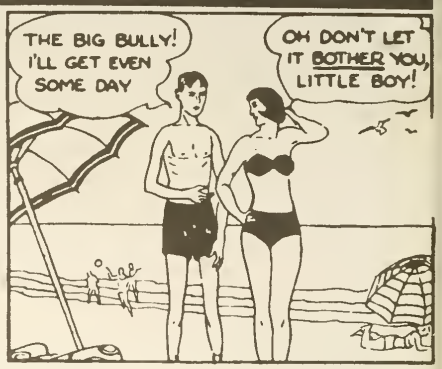
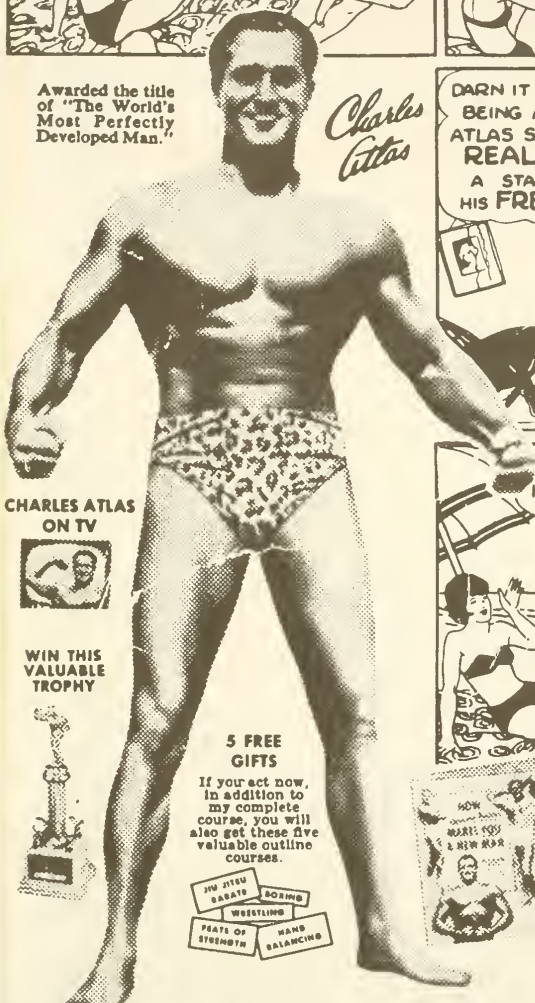
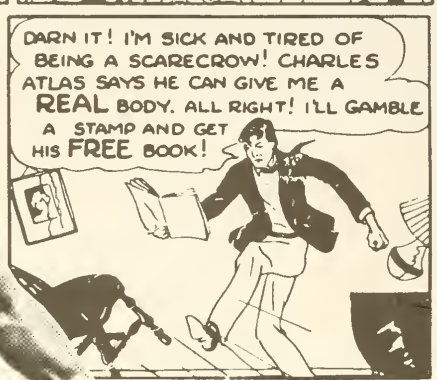
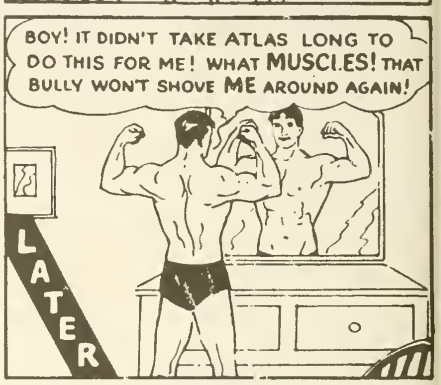
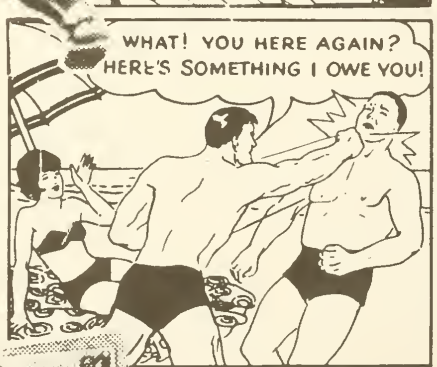
THE INSULT THAT MADE A MAN OUT OF "MAC"











Let Me PROVE I Can Make YOU A NEW MAN!

ARE you "fed up" with seeing the huskies walk off with the best of everything? Sick and tired of being soft, frail, skinny or flabby — only HALF ALIVE? I know just how you feel. Because I myself was once a puny 97-pound "runt." And I was so ashamed of my scrawny frame that I dreaded being seen in a swim suit.

The Secret of How I Got My Build

Then I discovered a wonderful way to develop my body fast. It worked wonders for me — changed me from the scrawny "runt" I was at 17, into "The World's Most Perfectly Developed Man." And I can build up YOUR body the very same natural way — without weights, springs or pulleys. Only 15 minutes a day of pleasant practice — in the privacy of your room.

My "Dynamic-Tension" method has already helped thousands of other fellows become real he-men in double-quick time. Let it help YOU. Not next month or next year — but Right NOW!

"Dynamic-Tension" Builds Muscles FAST!

If you're like I was, you want a powerful, muscular, well-proportioned build you can be proud of any time, anywhere. You want the "Greek-God" type of physique that women rave about at the beach — the kind that makes other fellows green with envy.

Mail Coupon Now for My 32-Page Illustrated Book
